Young master...

Let him go.

He doesn't have what it takes to be a sorcerer.

But he also doesn't have the courage to give up on family tradition.

No.

No!

I want to see you.

You're different.

Only you are different.

Mr. Kanl

Is something going on tonight?

Tonight is the night we are going to act.

We're going to infiltrate one of the noble house we've kept our eyes on.

It's going to create quite a chaos, so you need to act carefully for a while.

Kanya, you're going to wait with the escort team until the signal goes off.

Yes.

You need to be especially careful, sister.

W-wait, Kanl

Which noble are they going after?

I won't know until the signal goes off.

Hide somewhere for the night.

Argh, my head...

When did I get here!?

I ran out to see Anna and started to run.

What am I going to do after I see Anna!?

Do I even have the courage to tell her!?

Even if she comforts me, I'll have to go back.

Will I be able to handle it?

PANT

You can't come here right now.

Anna...

Call her for me.

It's late. Please go back.

I won't... Take long.

I just want to see her.

If you have a message for her, I will give it to her.

Father is here and there are too many eyes. Come next time.

Bring her here before—

I shout her name!

.....

Fine, but...

You do really need to make it quick.

Lord Rathgar!

You shouldn't be here right now!

Lord Rathgar...?

Damn, not now!
